### **3. Killer**

Killer is a competitive game that requires both precision and strategy. Each player aims to hit certain targeted numbers to accumulate points, while avoiding the "killer number" that can eliminate them from the game.

### **4. Shanghai**

This challenging game requires players to hit specific sections of the board in a predetermined order. For example, you may start with the single segment, then move on to doubles and triples, aiming for the highest score possible.

### **5. Round the Clock**

In Round the Clock, players take turns throwing a dart at the corresponding number on the board. The goal is to hit each number in order, starting from 1 and ending with 20.

### **6. Halve-It**

Halve-It is a game of precision and control. Each player throws three darts at each number from 1 to 20. The players' scores are then added up, but if a player fails to hit a number, their score will be halved.

### **7. Overkill**

In this fast-paced game, players aim to hit numbers from 1 to 20. The catch is that each hit must be higher than the previous one. If a player fails to hit a higher number, their turn ends.

### **8. 501**

501 is a popular game in professional darts. Each player starts with a score of 501 and aims to reach zero by subtracting their score with each throw. The final

dart must land in a double or the bullseye to win.

## **9. Around the World**

Showcase your darting skills in this challenging game where players aim to hit segments on the board in order. Start with number 1, then move around the board until you reach 20.

## **10. Baseball**

In this baseball-inspired game, players aim to score runs by hitting specific segments on the board. Each player takes turns throwing three darts, and the player with the most runs wins.

## **11. Half it High Score**

Challenge yourself by hitting certain numbers and aiming for the highest possible score. If you miss, your score will be halved.

## **12. Shanghai Doubles**

Play Shanghai as a doubles game for added excitement. Team up with a partner and aim to hit sections of the board in the specified order. The highest combined score wins the game.

## **13. Killer Round the Clock**

Combine the competitive elements of Killer and Round the Clock by aiming to hit certain numbers in order. Beware of the killer number that can eliminate you from the game.

## **14. Knockout**

In this elimination-style game, players take turns trying to hit specific segments on the board. If a player fails to hit the designated area, they are knocked out of the game.

## **15. Tic Tac Toe**

Put a twist on the classic game by playing it with darts. The goal is to get three in a row diagonally, horizontally, or vertically on the board, while your opponent tries to block you.

## **16. Round the World**

Spend a darting evening traveling the world with Round the World. Players aim to hit each country on the board in order, starting from A and ending with Z.

## **17. Cricket Cutthroat**

Test your skills in this cutthroat version of cricket. Each player aims to close out numbers while also trying to keep their opponents from scoring by hitting their numbers.

## **18. Count Up**

In Count Up, players take turns throwing darts and attempt to accumulate the highest score possible by hitting various segments on the board.

## **19. Follow the Leader**

In this game, players take turns throwing darts and aim to hit the same segment as their opponent. If successful, they stay in the game; otherwise, they are eliminated.

## **20. Shanghai Triples**

Aim for triple the fun by playing Shanghai with triples instead. Hit specific segments on the board in the designated order.

## **21. Baseball Shanghai**

Combine the scoring system of baseball with the challenge of Shanghai. Players aim to score runs by hitting specific segments on the board in the determined order.

## **22. 301**

Similar to 501, players start with a score of 301 and aim to reach zero by subtracting their score with each throw. The final dart must land in a double or the bullseye to win.

## **23. Round the World Doubles**

Team up with a partner for an exciting game of Round the World. Each player must hit their assigned letter and move on to the next country on the board.

## **24. Forty One-Eighty**

This game is all about hitting maximum scores. Players aim to hit as many 180s as possible within a given timeframe or number of darts thrown.

## **25. Scottish Singles**

Scottish Singles is a traditional dart game where players aim to hit numbers 1 to 20 in order. The player with the highest score at the end wins the match.

## **26. Legs**

In Legs, players compete to win a certain number of legs, usually best out of three or five. Each leg represents a set number of points, and the first player to

reach that point wins.

## **27. Around the Clock Doubles**

Add some friendly competition to Around the Clock by playing in doubles. Each player must hit their assigned number before moving on to the next.

## **28. Cricket Doubles**

Team up with a friend for a thrilling game of Cricket. Work together to close out numbers and block your opponents' scoring opportunities.

## **29. Knobbly Knees**

Have fun and test your accuracy with this challenging game. Each player takes turns throwing darts at their opponent's knees, aiming to hit as close to the knee as possible without touching it.

## **30. Poker Darts**

Bring elements of poker into darts with this exciting game. Each player must hit segments on the board to build the highest possible hand.

## **31. Horse**

Similar to the basketball game, players aim to spell out the word "HORSE." Take turns setting a challenge shot, and if your opponent fails to replicate it, they earn a letter.

## **32. Killer Bulls**

This variation of Killer adds a twist by focusing on the bullseye. Players aim to hit the bullseye three times, while avoiding being killed by their opponents.

## **33, Bob's 27**

In Bob's 27, players aim to hit numbers 1 to 9 three times each, totaling 27 hits. The player who accomplishes this first wins the game.

### 34. Stack Up

This challenging game requires players to stack darts on top of each other, aiming to hit the same number with all three darts. The higher the stack, the more points earned.

### 35. High Score Shuffle

End your darting session with a fun and competitive game of High Score Shuffle. Each player aims to score the highest points possible, with the winner taking it all.

These 35 ways to play darts Brooke offer a wide range of game variations, ensuring that you and your friends will never get bored of darts.
