

# 4 Must-See Sights on the Amazing Big Island of Hawaii

Welcome to the incredible Big Island of Hawaii! This stunning destination is renowned for its breathtaking landscapes, rich culture, and diverse natural wonders. From awe-inspiring volcanoes to pristine beaches, the Big Island offers a myriad of attractions that will leave visitors in awe. In this article, we will explore four must-see sights on this amazing Hawaiian island.

## 1. Volcanoes National Park

No trip to the Big Island is complete without a visit to Volcanoes National Park. Home to two active volcanoes, Kilauea and Maunaloa, this park offers a unique opportunity to witness the raw power of nature. Kilauea, one of the most active

volcanoes on Earth, offers mesmerizing lava flows and an otherworldly landscape. Visitors can explore the park's scenic drives, hiking trails, and learn about the island's volcanic history at the visitor center. Don't miss the chance to witness the fiery glow of lava against the night sky, truly an unforgettable experience.

## Hawaii: Big Island, Amazing Sights

by Luigi Zuccante (Kindle Edition)

File size : 106655 KB

Screen Reader : Supported

Print length : 206 pages

Paperback : 60 pages

Item Weight : 4.5 ounces

Dimensions : 6 x 0.15 x 9 inches

## 2. Waipio Valley

Hidden on the northeastern coast of the Big Island, Waipio Valley is a tropical paradise that will leave you breathless. With its lush green cliffs, cascading waterfalls, and black sand beaches, this remote valley offers a picture-perfect retreat from the bustling tourist crowds. Hike down to the valley floor or take a guided tour to explore its beauty up close. Immerse yourself in the tranquility of the valley and let its natural wonders mesmerize you.

## 3. Akaka Falls State Park

If you're a fan of waterfalls, then Akaka Falls State Park is a must-visit destination on the Big Island. As you stroll through the park's lush rainforest, you'll be greeted by the majestic sight of the 442 feet tall Akaka Falls. The park features a well-

maintained path that takes you through a botanical wonderland, showcasing a variety of native plants and wildlife. With its peaceful ambiance and stunning beauty, Akaka Falls State Park promises an unforgettable experience for nature lovers and photographers alike.

#### 4. Mauna Kea Summit

For those seeking a celestial experience, a trip to the summit of Mauna Kea is a must. Standing at an elevation of 13,796 feet, the summit offers unparalleled views of the night sky, free from light pollution. With its world-class observatories, Mauna Kea is an ideal location for stargazing and astrophotography. Visitors can join organized stargazing tours or simply drive to the visitor information station to enjoy the breathtaking panorama. Witnessing the Milky Way and the brilliant twinkling stars above Mauna Kea is a truly humbling and magical experience.

As you plan your visit to the Big Island of Hawaii, make sure to include these incredible sights in your itinerary. Whether you're a nature enthusiast, adventure seeker, or simply in search of tranquility, the Big Island has something to offer everyone. Embrace the island's beauty, immerse yourself in its rich culture, and create memories that will last a lifetime.

## The Big Island Has Everything

White sand beaches, black sand beaches, green sand beaches, waterfalls, rain forest, rainbows, mountains, ranches, golf courses, mega-resorts, bed-and-breakfasts, sunsets, moon-rises, snorkeling, scuba diving, dolphins, whales, sea turtles, coffee farms, farmers markets, fresh fish, pork lau-lau with macaroni salad, poke bowls, island-brewed beer and ale, mai-tais, papayas, mangoes, bananas, avocados, falling coconuts to beware of, pineapples, guavas, pancakes, malasadas, loco-moco, macadamia nut farms, tiki-men, art galleries, small towns, tons of Hawaiian history, and uniquely, an active volcano.

If you know where to go, the island is absolute eye-candy for visitors and locals alike - bejeweled with amazing sights. But if you don't know where to go, there's a lot of lava rock for you to look at while you're driving down the highway.

You need this book because it will help you figure out where to go on the Big Island:

- photography and video helps you figure out what you want to see
- maps tell you how to get there and what's in the neighborhood
- restaurant reviews help you find the best places to eat
- hotel photos and reviews help you find the best place to stay
- internet links let you buy tickets and book reservations online, read history, and more

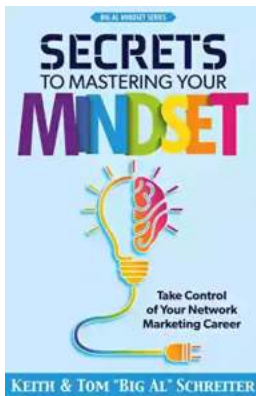

This book blends together still and panoramic photography, video, web links and interactive maps to deliver a visually rich reading experience. Designed from the ground up as an internet-connected eBook, it leverages the connectivity of your

tablet to deliver a lot of practical and historical information, and I hope it will be extraordinarily useful in planning your vacation.

The book starts in Kona and proceeds clockwise around the island, with stops at the Kohala Coast, Waimea, the Hamakua Coast, and then proceeds on to Hilo and to Hawaii Volcanoes National Park.

I've tried to focus the full power of your internet connected tablet on helping you have a better time on your vacation. You'll find the stuff you need for trip planning: walking routes, restaurant reviews, landmarks, and hotel info in the book's interactive maps.

For Kindle readers, we've hosted interactive content including videos, panoramic photography and photo galleries on the book's companion website: [www.bigislandbook.com](http://www.bigislandbook.com), and linked to that content along with restaurant reviews and hotel websites within the chapters.
