A Scotsman Travel Book of the Year: A Welsh family's story of running off to a lush Greek island in the 1970s, and the new life they found there.

Leaving their Welsh hill farm behind, Nick Perry and his family arrive on the little-known island of Ikaria in 1978, having impulsively boarded the first ferry leaving Athens. *Escape to Ikaria* tells the story of how they become involved with the islanders and their way of life. Nick tries his hand at anything to get by: night fishing out in the Aegean, unloading the potato boats from Samos, mixing cement for wayward house-builder Datsun Jim, and tending the gardens of the old monastery where a solitary nun, Sister Ulita, controls the village's water supply.

Vivid and moving, this memoir is “a tale of risking all to pursue a dream . . . The story is told with disarming aplomb, packed with characters and incidents, and exhibiting much that is good in human nature” (Scotsman).
