Comprehensive Knowledge in Your Hands: From Novices to Experts

Wildguides caters to all levels of nature enthusiasts, making it an invaluable resource for both beginners and seasoned experts. Whether you're starting your journey of discovery or expanding your existing knowledge, this guide provides something for everyone.

For those new to the world of wildlife, Wildguides offers insightful overviews of different species, their habitats, and behavior. The detailed illustrations help you identify key features, while the accompanying text provides fascinating facts and anecdotes, ensuring an enriching experience every step of the way.

If you're a seasoned naturalist, Wildguides takes your expertise to new heights, with in-depth descriptions, advanced identification tips, and complex ecological insights. From telling apart similar bird species to distinguishing minute details of plants, the guide acts as a compendium of wisdom, offering a level of depth that will satisfy even the most avid nature connoisseur.

Going Beyond: Online Resources and Community Engagement

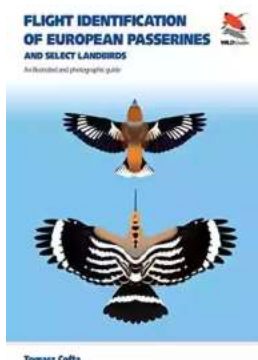

Wildguides doesn't limit your exploration to the pages of a book. Embracing the digital age, Wildguides offers a wealth of online resources and community engagement to enhance your experience even further.

The official Wildguides website serves as a hub for nature enthusiasts, where you can access additional content, including up-to-date species information, interactive maps, and in-depth articles. The website also hosts a thriving community forum, connecting you with like-minded individuals who share your passion for the natural world. Engage in discussions, seek guidance, and share your own discoveries – the possibilities are endless.

Discover the Wildguides Difference: Unleashing Your Inner Naturalist

The unrivaled combination of stunning visuals, comprehensive knowledge, and online support sets Wildguides apart from any other nature guide on the market. Unlock the hidden marvels of the wilderness, discover new species, and delve into the fascinating realms of the natural world like never before.

With Wildguides in your hands, every stroll through the park becomes an adventure, every bird's song holds a story, and every encounter with nature becomes a masterpiece waiting to be unveiled.

A richly illustrated, state-of-the-art field guide for identifying European passerines in flight—the first of its kind

Opening up new frontiers in birdwatching, this is the first field guide to focus specifically on the identification of European passerines and related landbirds in flight. Showcasing 850 stunning and remarkably lifelike colour illustrations from acclaimed bird artist Tomasz Cofta, produced using the latest digital technology, backed up with more than 2,400 photographs carefully selected to show typical flight profiles, it provides detailed and unsurpassed coverage of 205 European passerines and 32 near-passerines. This cutting-edge book brings a new dimension to birdwatching, the concise and authoritative species accounts presenting novel yet essential information on the flight manner of individual birds and the structure and behaviour of flocks—features that are key to identification. It also includes precise transliterations of flight calls, supported by sonograms,

and links to a unique collection of hundreds of online audio recordings. Beautifully designed and written in an accessible style, this book will appeal to birdwatchers of all abilities. It presents the latest knowledge on flight identification of a group of birds that is poorly covered in the literature and is therefore a must-have for all professional ornithologists and scientists involved in migration studies.

- The first field guide to flight identification of European passerines and related landbirds
- Covers 205 European passerines and 32 near-passerines
- Features 850 stunning colour illustrations
- Includes more than 2,400 photos showing typical profiles of each species in flight
- Provides detailed information on flight calls, with links to online recordings
