Trenae Wallace is just a regular, kind-hearted, innocent girl from Houston, TX., with three rowdy friends: Ebony, Tameka, and Nicole who all love Trenae like a sister and will go to war with the devil himself just to protect her. That devil just so happens to be Trenae's boyfriend of two years, Silas Jackson. Trenae is head over heels in love with Silas, but he only uses her for money while he turns to other women for his sexual needs, since Trenae doesn't plan to give up the goods anytime soon. Blinded by Silas's fake love for her, Trenae can't see Silas doing any wrong in her eyes. When she meets Nahlij, Trenae just maybe forced to open her eyes to a whole new world of possibilities.

Life for Nahlij Jones has been one disappointment after the other. At the age of five, his mother abandons him, leaving his father to take on the responsibility of being a single father. On the night of his fifteenth birthday, Nahlij witnesses his dad be murdered in cold blood by a crooked cop who had a gambling habit. "Don't let them get away with this shit," were the last words his father spoke before he took his last breath, and Nahlij vowed to make the officer pay for the death of his father.

Now at the ripe age of thirty, Nahlij is an undercover killer, trained by his foster parents. Still heart broken and hurt by the abandonment of his mother, Nahlij has vowed to never love a woman out of fear that he'll be left again. When he's assigned to a mission in Tallahassee, Fl., Nahlij just may push his 'no love' persona to the back of his mind when he meets the beautiful Trenae Wallace.

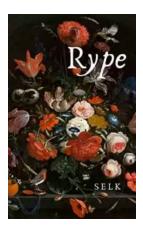

They say what happens in Rome, stays in Rome, but will that hold true for Nahlij and Trenae? Can one night with Nahlij make Trenae forget about Silas? Can

Trenae make Nahlij forget about his vow to never love a woman and make him fall for her?
