From the moment I was born, you embraced me in your arms and showered me with affection. You gave me a safe place to grow and thrive, always ensuring that my needs were met. Your love was a constant presence in my life, and it provided me with the stability and security I needed to explore the world with confidence.

Your love was never conditional on my achievements or success. You supported me through every triumph and failure, always reminding me that my worth extended far beyond any external measure. You taught me the importance of self-acceptance and embracing my uniqueness, and for that, I am eternally grateful.

Even in moments when I stumbled and made mistakes, you never turned your back on me. Instead, you offered a listening ear and a shoulder to lean on. Your unflinching belief in me gave me the strength to persevere and learn from my failures. Your love taught me the power of resilience and the beauty of growth.

Mom, your love has been a guiding light throughout my life's journey. It has been a constant source of inspiration, empowering me to chase my dreams and overcome any obstacles that came my way. Your belief in my potential has

pushed me to reach for the stars, and your encouragement has given me the courage to step outside of my comfort zone.

Through your words and actions, you have shown me what it means to be compassionate, kind, and empathetic. Your unwavering love for others has taught me the value of treating everyone with dignity and respect. You have encouraged me to look beyond the surface and to see the goodness in each person I encounter.

As I reflect on all the sacrifices you have made for me, I am humbled by your selflessness. You have always put my needs before your own, ensuring that I had everything I needed to thrive. Your love has been a constant presence in my life, and it has made all the difference.

Today, I want you to know that your love has not gone unnoticed or unappreciated. It has shaped me in ways that words cannot adequately express. The lessons you have taught me through your unconditional love will forever be ingrained in my heart.

Thank you, Mom, for loving me unconditionally. Thank you for being my rock, my confidante, and my guiding light. I am eternally grateful for your love and will cherish it always.

With all my love,

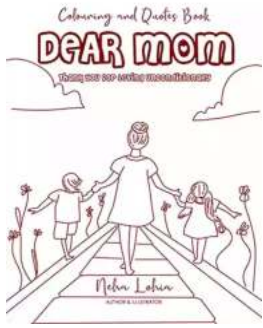

Your grateful child

Namaste and Welcome,

“Dear Mom – Thank You For Loving Unconditionally” is an expression filled with coloring and quotes for all ages to celebrate the bond between a mother and her kids. It is a book born out of love for our mothers, the one who physically birthed us and also the overarching mother energy, Goddess energy, the universal all-encompassing mother or whatever name you call it who manifests as the physical mother birthing us into form in this lifetime. She embodies, models and calls forth that “pure and unconditional love” with which we are all made of and that which is already sitting deep within our own hearts and being.

God takes many forms to express love to us and one of the most precious of them is MOM. Her acceptance, support and being by our side through all phases of life is God's love sent to us through her presence. I pray we can all cherish, honor and receive this love for what it is and be grateful and accepting of her exactly as she is. I hope we can all truly feel her love, honor, bow down to her grace and be gratefully loving our moms like we mean it and not just say it.

Every page of this Dear Mom book is a “Thank you”, a small reminder of ways in which we are loved so much by this beautiful being. The book includes cute designs of moms with kids and it's easy to color with crayons, pencils, gel pens,

markers etc. It makes a great gift for mom to empower, inspire and help her feel the love. The full-page designs include both inspirational and gratitude filled quotes that sum up what it's like to have a loving relation between mom & children. The best part is you can customise it with your own colours and expressions, you can even cut out a page and frame your own beautiful masterpiece!

There are illustrations and moments inspired from real life that most of us have either experienced or seen around us at some point. This book comes with tender art from the heart, small reminder messages and little love notes to our Mom!
