Following the Clues

While the mystery remains unsolved, numerous clues have been discovered throughout history, offering glimmers of hope to the brave souls willing to take on the challenge.

One of the most perplexing clues is an ancient map, believed to have been drawn by a forgotten cartographer. The map indicates the exact location where the artifact could potentially be found. It is rumored to be concealed within an underground chamber accessible only by decoding a sequence of cryptic symbols scattered throughout Echo Falls.

Another clue lies in the ethereal whispers of the valley's inhabitants - the rabbits. It is believed that they possess a profound connection to the Echo Falls Mystery. Their peculiar behavior, from their secret burrows to their synchronized movements, hints at a deeper knowledge they guard with utmost secrecy.

Some believe that the key to solving the mystery lies not in the tangible clues left behind but in a deeper understanding of the valley itself. "My all-time favorite. Astonishing." (Stephen King)

Down the Rabbit Hole is the first book in the Echo Falls mystery series by bestselling crime novelist Peter Abrahams. Perfect for middle school readers looking for a good mystery.

Welcome to Echo Falls, home of a thousand secrets. In Down the Rabbit Hole, eighth grader Ingrid Levin-Hill is in the wrong place at the wrong time. Or at least her shoes are. And getting them back will mean getting tangled up in a murder investigation as complicated as the mysteries solved by her idol, Sherlock Holmes.

With soccer practice, schoolwork, and the lead role in her town's production of Alice in Wonderland, Ingrid is swamped. But as things in Echo Falls keep getting curiously and curiously, Ingrid realizes she must solve the murder on her own—before it's too late.

"Deft use of literary allusions and ironic humor add further touches of class to a topnotch mystery," said School Library Journal. "Intriguing twists." Publishers Weekly agreed: "The fresh dialogue and believable small-town setting will tempt fans to visit Echo Falls again."

The next book in this Edgar Award-nominated series is *Behind the Curtain*, followed by *Into the Dark*.
