The Battle of Mechanicsville

The first of the Seven Days Battles occurred on June 26, 1862, at Mechanicsville, Virginia. This initial clash between Union and Confederate forces saw General Lee launch a daring assault on McClellan's army. Confederate victory. This battle marked the beginning of a week-long series of engagements that would pose extraordinary challenges to both sides.

The Battle of Gaines' Mill

On June 27, the Battle of Gaines' Mill unfolded, pitting around 57,000 Confederate soldiers against approximately 34,000 Union troops. As the largest battle of the Seven Days Battles, it was a fiercely contested engagement. The Confederate forces managed to break through the Union lines, allowing Lee to seize the initiative and turn the tide in his favor. The Union suffered heavy casualties, but managed an orderly retreat. Despite the loss, this battle showcased the bravery and resilience of both armies.

The Battle of Glendale

Continuing the series of battles, the Battle of Glendale took place on June 30, 1862. This chaotic clash witnessed strategic movements and counterattacks from both sides. Confederate forces aimed to isolate and destroy different elements of the Union Army, while the Union focused on reuniting their scattered troops. Desperate fighting and brutal hand-to-hand combat ensued, resulting in intense casualties for both armies. The atmosphere of this battle was one of desperation as soldiers fought fiercely to gain the upper hand.

The Battle of Malvern Hill

The climactic battle of the Seven Days Battles was the Battle of Malvern Hill, which occurred on July 1, 1862. This Confederate assault on the strong Union positions atop Malvern Hill proved to be their costliest in terms of casualties. Repelled by the Union forces, Lee's army suffered heavy losses and was forced to withdraw. The resilient Union defense at Malvern Hill demonstrated exceptional tactics and brought an end to the Seven Days Battles, securing a strategic victory for the Union army.

A detailed history of the American Civil War's first campaign in Virginia in 1862.

The first campaign in the Civil War in which Robert E. Lee led the Army of Northern Virginia, the Seven Days Battles were fought southeast of the Confederate capital of Richmond in the summer of 1862. Lee and his fellow officers, including “Stonewall” Jackson, James Longstreet, A. P. Hill, and D. H. Hill, pushed George B. McClellan’s Army of the Potomac from the gates of Richmond to the James River, where the Union forces reached safety. Along the way, Lee lost several opportunities to harm McClellan. The Seven Days have been the subject of numerous historical treatments, but none more detailed and engaging than Brian K. Burton’s retelling of the campaign that lifted Southern spirits, began Lee’s ascent to fame, and almost prompted European recognition of the Confederacy.

“A welcome addition to scholarship that should be the standard work on its subject for some time to come.” —Journal of Military History

“Plenty of good maps . . . help the reader follow the course of the campaign. . . . Burton does not neglect the role of the common soldiers . . . [and]provides thorough and reasonable analyses of the commanders on both sides.” —Georgia Historical Quarterly

“A full and measured account marked by a clear narrative and an interesting strategy of alternating the testimony of generals with their grand plans and the foot soldiers who had to move, shoot, and communicate in the smokey underbrush.” —The Virginia Magazine
