The third-grader Grace Stewart gets stuck with the name “Just Grace” when she tries to distinguish herself from the three other Graces in her class. Grace is plenty different, though. She has a “teeny-tiny superpower,” for instance—she can tell if someone is unhappy and often tries to fix it. When she concocts an elaborate scheme to help her neighbor Mrs. Luther feel less lonely, however, her good intentions backfire rather dramatically. Headlines such as “What Happened At Home That Was Completely Surprising” and “Spying For A Good Reason Is Not Bad” keep things lively, as do various lists (“Boy Things,” “Rooms You Can

Jump In”), comic strips, and the author’s cartoonish spot art. A funny glimpse into a third-grader’s madcap world of dashed hopes, perceived enemies, possible friends, cats, and sandwiches.

This book features a teaser chapter from Just Grace and the Flower Girl Power.
