The first instalment in an occasional series of short stories covering the elapsed time between the books in The Falconer Files series.

An insanely gripping village detective series with a delightful slice of humour. Perfect for fans of Agatha Christie, Lillian Jackson Braun and Midsomer Murders.

On Christmas Day the two detectives are summoned to a block of apartments in Market Darley, to investigate the unexplained death of a young woman whose fiancé was due to move in with her on New Year's Day.

At first, her death seems a complete mystery, then, something that Dr Christmas discovers on the internet indicates that her death could just have been a tragic accident, or was it?
