I vividly remember the day I decided to undertake this remarkable endeavor. It was a chilly evening in late November, and I found myself captivated by the magical atmosphere of a shopping mall. Children were waiting in long lines, eager to share their holiday wishes with Santa. Their eyes sparkled with excitement and pure belief, reminding me of the joy I experienced during my own childhood Christmases.

Something stirred within me that day, and I knew in my heart that I wanted to bring happiness and wonder to others as Santa Claus. With great determination, I began researching the role and history of Santa Claus, studying the iconic red suit, the famous white beard, and the hearty laughter that could melt any heart.

## **Preparing for the Role**

Becoming Santa Claus may seem straightforward to some, but behind the scenes lies a meticulous process of preparation. The transformation from an ordinary individual into the embodiment of Santa Claus requires attention to detail and dedication.

I immersed myself in the art of wig-making and grooming, ensuring that my beard and hair were always impeccable. The authentic and iconic Santa Claus appearance was crucial in maintaining the magic for both children and adults. After all, who would believe in Santa without his distinctive appearance?

Additionally, I invested time and effort in perfecting my portrayal of Santa Claus. I rehearsed the joyful "Ho! Ho! Ho!" to perfection, ensuring every laugh was infused with warmth, happiness, and compassion. I also spent hours studying and refining the iconic phrases that Santa utters, such as asking children if they have been "naughty or nice."

## **Spreading Joy and Making Memories**

Once the preparations were complete, it was time to step into the role of Santa Claus and embrace the magic of the holiday season. From the moment I put on the red suit, I felt an overwhelming sense of responsibility and joy.

As Santa Claus, I attended numerous events, including parades, school visits, and private parties. Each encounter with children and adults brought its own

unique set of emotions and experiences. The genuine belief and innocent trust in the eyes of the children exhilarated me, and I did my best to make every interaction unforgettable.

Children would sit on my lap, eagerly expressing their deepest desires while I listened, offering words of encouragement and support. Some asked for material possessions, while others wished for happiness, health, or the well-being of their loved ones. Each wish touched my heart, and I made it my mission to ensure that every child left with hope and a sense of wonder.

Equally rewarding was the interaction with adults who cherished their own nostalgic memories of Santa Claus. They would share heartwarming stories of sitting on Santa's lap and feeling the warmth of his presence. The joy and gratitude they expressed deepened my belief in the power of Santa Claus to bring happiness to people of all ages.

## **The Gifts I Have Received**

While I have been the one bringing gifts and joy to others, I can confidently say that being Santa Claus has been a gift in itself. This extraordinary experience has taught me valuable lessons about kindness, generosity, and the importance of embracing the inner child within each of us.

Witnessing the pure happiness and unfiltered joy in the eyes of a child is an indescribable feeling. It fills your heart with warmth and reminds you of the magic that exists within the world. Being Santa Claus has reaffirmed my belief in the power of love, compassion, and the essence of the holiday season.

As I reflect on my professional career as Santa Claus, I am filled with gratitude for the countless memories created, the unforgettable moments shared, and the lives

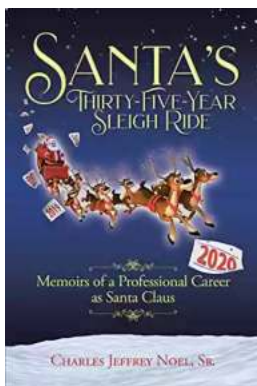

touched along the way. The role of Santa Claus is much more than a costume or a job; it is an opportunity to make a positive impact on the lives of others.

## Embracing the Spirit of Christmas

As we approach another holiday season, let us remember the true essence of Christmas. It is not about the material possessions or extravagant gifts; it is about spreading love, joy, and kindness to those around us.

May we all find inspiration from the spirit of Santa Claus, who embodies the qualities that make us human – empathy, compassion, and the power to bring smiles to people's faces. Let us believe in the magic of the holiday season and carry it with us throughout the year.

So, as Santa Claus would say, "Ho! Ho! Ho! Merry Christmas to all, and to all a good night!"

The title of my book, *Santa's Thirty-Five Year Sleigh Ride: Memoirs of a Professional Career as Santa Claus*, states the basic summary of my book and alerts the reader of what to expect. It contains many of my favorite memories (memoirs) of my career as a professional Santa Claus over the past thirty-five years.

To me, children are special, and they deserve to be happy. At first contact, I have no idea of their background or their circumstances. I just do my best to make them feel like the most important person in the world. The few minutes they have with me (as Santa Claus) might very well be the only time during the entire year that they feel special, important, and loved.

My memoirs are full of interesting stories, sad stories and true tales of surprising adventures and events in the life of a modern-day Santa Claus.

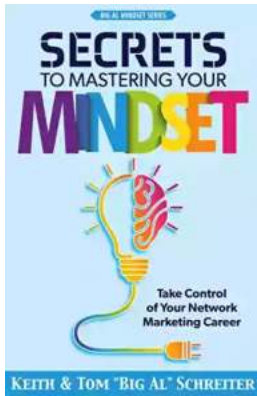

Since I love humor, and I think that most people do, I have included my most memorable stories that are memorable because of the humor involved. And perhaps some of my favorite memories will become some of yours as well. Maybe you have wondered what a Santa Claus does, what experience he has had, or why he became a Santa Claus in the first place. Perhaps you have wondered what credentials he has to have or what type of personality he needs to be a great and convincing Santa Claus.

If so, my book will be of great interest and value to you.

I, as Santa, have had many, many precious moments with children; I have had both funny and sad moments that may bring you to tears. I've smiled, I've laughed, and I've cried. You will too.

And if you've ever wondered what it would be like to be a Santa Claus and make a child smile by just being there...my book will help you to understand.

And finally, if you have ever considered actually donning the red suit and portraying the 'Jolly Old Elf' yourself, my book may very well push you over the top.
