I'm Haven Hillshire, and I now called Heartbreak Falls home.

My new stepbrothers are sexy as sin, and just as deadly. They thought they had me under their fingers... but they thought wrong....this is not your typical romance. It's twisted. It's dark, and it's full of heartbreak. It takes place in a town built on it, after all, isn't it?

Welcome to Heartbreak Falls...a town ruled by my new Stepfather's family for

centuries and where hearts come to break

With a name like Heartbreak Falls, one didn't expect to find love at the new town I had moved to courtesy of my new stepfamily aka Mom's new husband and his sons.

Something was up with my new rich stepfather, his sons, and what happened to their last stepmother. Something was up with the entire town, which my stepfamily seem to run. Along with the school where my stepbrothers reigned as cruel princes. All 3 of them were known as The Heartbreakers. Two were twins and my age, and then there was Tristan, the oldest. Gorgeous but god-awful hateful to me. What was up?

I was about to find out...if I lived long enough.
