They have witnessed how genuine and lasting connections have positively impacted their lives and careers. Through their comedy sketches and inspiring talks, they encourage people to prioritize friendships and invest time and effort in maintaining them.

### Building a Solid Foundation

The journey towards lifelong friendships starts by building a solid foundation.

According to The Skit Guys, the following principles are crucial:

- **Authenticity:** Be yourself and encourage your friends to do the same. Honesty strengthens trust and deepens connections.
- **Empathy:** Show genuine care and understanding towards your friends. Put yourself in their shoes and offer support when needed.
- **Communication:** Effective communication is vital. Express your thoughts and feelings honestly, but also be open to listening to your friends' perspectives.

- **Shared Interests:** Find common activities or hobbies that you enjoy doing together. This strengthens the bond and creates shared memories.
- **Forgiveness:** No friendship is perfect, and conflicts are bound to happen. Learn to forgive and let go of grudges to maintain harmony.

## **Nurturing Lifelong Friendships**

Once the foundation is set, it's important to nurture the friendship continuously. The Skit Guys share their insights on how to do this:

### **1. Regularly Check-In**

Don't let time or distance hinder your connection. Regularly check in on your friends, even if it's just a quick text or call. Show genuine interest in their lives and let them know you are there for them.

### **2. Plan Meaningful Gatherings**

Organize get-togethers to create lasting memories. Whether it's a simple movie night or a weekend trip, these shared experiences strengthen the friendship and provide opportunities for deeper conversations.

### **3. Celebrate Milestones**

Acknowledge and celebrate milestones in your friends' lives. Birthdays, promotions, or major achievements are perfect occasions to show your support and love.

### **4. Be a Good Listener**

When your friends share their joys or concerns, be there to listen attentively. Providing a safe space for them to express themselves strengthens the bond of trust.

## 5. Embrace Differences

We all have unique perspectives and beliefs. Embrace the differences within your friendships and learn from each other's experiences. This fosters personal growth and broadens your horizons.

### The Power of Laughter

Laughter has always been at the core of The Skit Guys' comedy. They firmly believe in the power of laughter to bring people together and enrich friendships. Their hilarious sketches and performances create shared moments of joy and laughter, making their friendship-themed content truly memorable.

In summary, The Skit Guys emphasize the importance of lifelong friendships in our lives. Embracing differences and finding laughter along the way adds zest to the journey of lifelong friendships. The guys who together form the popular comedy duo The Skit Guys, take their distinct brand of humor and apply it to a guide on how to make and keep friends and why it matters for a life of faith and laughs.

Tommy Woodard and Eddie James, the men who form the widely popular comedy duo The Skit Guys, have been best friends since high school. With encouragement and guidance from their youth pastor, the guys started to write and perform skits for their youth group. Since their high-school days, they've been writing and performing hilarious and poignant skits live around the world and on camera, as well as on their site, SkitGuys.com. Everywhere they go, the question people always ask them is, “How did you guys get to be and figure out how to stay friends?”

Now, this offbeat duo is coming together to present *Smells Like Bacon: The Skit Guys Guide to Lifelong Friendships*, a book about the power of friendships and how to build the kind of friendships that last. Written in the signature hilarity of a Skit Guys dialogue—with well-placed banter or two sprinkled in for good measure—*Smells Like Bacon* explores:

- Who needs friends?
- Let's-Dig-in-the-Dirt Friends
- Awkward things not to say to potential friends
- Crying at the movie *Beaches*
- How to be a good friend;
- What to look for in friends—and what to avoid;

- How to handle difficult situations in friendship; and
- Why God makes a great friend
- And fun and random stories, and of course, bacon references

Tommy and Eddie have traveled the world performing for families at events, churches, and conferences. Their SkitGuys.com website has grown into a treasured media resource for families, pastors and churches. Their numerous short films, skits, and scripts are used to reach families all over the world. When The Skit Guys aren't performing or shooting new short films, both Tommy and Eddie serve in their local churches, enjoy good food (especially pizza and fries!), and love life with their families.
