What sets this thriller apart is the intricate character development. The professor is not just an intellectual, but a complex individual with flaws and vulnerabilities. You will find yourself invested in his journey, experiencing his triumphs and defeats alongside him. The author has masterfully crafted a protagonist who feels real, making the story even more captivating.

The writing style is impeccable, with vivid descriptions that bring every scene to life. The author's attention to detail makes it easy for the reader to visualize the events as if they were watching a movie. Each setting is meticulously described, creating an atmosphere that adds an extra layer of intensity to the story.

The plot is full of suspense and surprises. Just when you think you've figured it out, a new revelation throws everything off balance. The pacing is perfect, allowing moments of respite between heart-pounding sequences. Every chapter ends with a cliffhanger, urging you to keep reading well into the night.

One of the greatest strengths of this novel is its ability to explore complex themes while maintaining the thrill factor. The story touches upon topics such as the pursuit of knowledge, morality, and the consequences of one's actions. It challenges the reader to reflect on their own values and beliefs, adding depth to an already captivating narrative.

But perhaps the most stunning aspect of this captivating thriller is its ability to make you question everything. As the professor gets closer to the truth, even the most ordinary things become suspicious. You will find yourself doubting everyone and everything, unable to trust even your own instincts. This constant sense of unease will keep you hooked until the very last page.

So, if you're looking for a well-crafted thriller that will have you completely absorbed, Professor, look no further. This gripping novel combines exceptional writing, gripping twists, and complex characters to deliver an unforgettable reading experience. Get ready to lose yourself in a world of suspense and intrigue!

When practising what you preach is easier said than done ... Professor Maxie Reddick has her reasons for being sceptical of traditional policing methods, but, in between her criminology lecturing job and her Criminal Thoughts podcast, she stays firmly on the side lines of the crime solving world. Then a young woman is brutally attacked, and suddenly it's essential that Maxie turns her words into actions; this is no longer an academic exercise – this is somebody's life. But as she delves deeper, the case takes a sickening turn, which leads Maxie to the horrifying realisation that the attack might not have been a one-off. It seems there's a depraved individual out there seeking revenge, and they'll stop at nothing to get it ... little by little ... one by one.
