Author Charlotte Higgins takes you on a captivating journey across the stunning landscapes of modern-day Britain, uncovering the stories of this forgotten era. From the thriving cities and grand villas to military forts and humble roadside settlements, you'll gain a deeper understanding of the Romans' impact on the land and its inhabitants.

### Unearth Hidden Treasures

Under Another Sky is not just a historical account, but an exploration of archaeological sites that have shaped our understanding of Roman Britain. Higgins dives into the fascinating world of monuments, artifacts, and ruins, shedding light on their significance and the stories they tell.

The book takes you to iconic sites such as Hadrian's Wall, Bath's Roman baths, and the ancient city of Londinium (now London). Marvel at the intricate mosaics,

walk along the well-preserved city walls, and immerse yourself in the ancient Roman way of life.

In addition to well-known sites, *Under Another Sky* also delves into lesser-known locations, hidden gems that carry their own unique tales. Travel to Vindolanda, an exceptional fort that has yielded remarkable archaeological finds, including the Vindolanda tablets, providing valuable insights into the lives of those who lived along the frontier.

Follow the author as she uncovers the secrets of Chester's Roman amphitheater, one of the largest in Britain. Stand in awe as you visit the Roman Circus in Colchester, the only known circus in the country. Every location carries its own stories, offering a glimpse into the past and evoking a sense of wonder.

## **Experience History Come Alive**

Under Another Sky goes beyond traditional history books by offering a deeply personal and immersive experience. Higgins brings the landscapes and people of Roman Britain to life through her vivid descriptions and personal reflections.

Join her as she walks the ancient trackways, follows the footsteps of Roman soldiers, and contemplates the lives of the ordinary people who once lived in these bustling Roman communities. Through her words, you'll feel their presence, smell the aromas of market stalls, and hear the sounds of bustling streets.

What does Roman Britain mean to us now? How were its physical remains rediscovered and made sense of? How has it been reimagined, in story and song and verse? Sometimes on foot, sometimes in a magnificent, if not entirely reliable, VW camper van, Charlotte Higgins sets out to explore the ancient monuments of Roman Britain. She explores the land that was once Rome's northernmost territory and how it has changed since the years after the empire fell. *Under Another Sky* invites us to see the British landscape, and British history, in an entirely fresh way: as indelibly marked by how the Romans first imagined and wrote, these strange and exotic islands, perched on the edge of the known world, into existence.
