"Sometimes a book comes along that rocks you back on your heels, smacks the self-pity, the selfishness, and ignorance out of you, and makes you ashamed of your own timidity. And sometimes that book happens to be a kids' book. Read Dominion, and then read Terra Nova. Read them for you. Read them for your kids. Read them to your kids. Let your kids read them and ask you questions. I don't care how you do it; I'm just asking you to do it."—Sci-Fi & Scary blog
