2 Para's performance during Operation MARKET GARDEN is legendary but, as this book amply demonstrates, it was the culmination of three year's battle experience. A major factor behind the Battalion's successes was the leadership of its Commanding Officer, Lieutenant Colonel John D Frost who never failed to inspire those under him by his example and character. Without Tradition is a superb record of, and a fitting tribute to, one of the most successful fighting units in the long and glorious history of the British Army.
